

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Ho Keung, Tse.
Application Number : 08/ 587, 448
Filing Date : 12/01/95
Group Art Unit : 2200
Examiner : P. Laufer

P.O. Box 54670,
North Point Post Office,
Hong Kong.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231, Box
AF.

Sir,

Extension fee not necessary

The Examiner indicates in his advisory actions that, the response period expires 3 months from the mailing date of the advisory actions, dated 12/15/97 and 01/28/98, and therefore the response period is being extended by the Examiner to 3 months from 01/28/98 and is not expired.

Date: Feb., 10, 98

Patent Examiner : P. Laufer

P.O. Box 54670,
North Point Post Office,
Hong Kong.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231, Box AF.

Sir,

Submitted herewith is a substitute specification written in proper idiomatic English and in compliance with 37 C.F.R. 152 (a and b) as required by the Examiner in the first office action, item 11.

Verified Statement(Declaration) for declaring
Substitute Specification contains no new matter

As the applicant and inventor of the above-identified patent application, I hereby declare that the substitute specification introduces no new matter into the disclosure of the invention.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that theses statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231, Box AF.

Sir,

Submitted herewith is a copy of the original specification in which the changes found in the substitute specification is being indicated in red so that the Examiner can make comparison of the two easily.

Please also noted that the phrases written in blue are not part of the amendment, rather they are for indicating to which other part of the original specification an inserted phrase adjacent thereto is conforming.

Application Number : 08/ 587, 448
Filing Date : 12/01/95
Group Art Unit : 2200
Supervisory Patent Examiner : Thomas H. Tarcza

P.O. Box 54670,
North Point Post Office,
Hong Kong.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231, Box AF.

Sir,

Urgent request for response from Examiner Pinus M. Laufer
to prevent an unnecessary appeal

Please note that I have not yet received the Examiner's response to my amendment proposal which is filed on Nov., 3, 97, within the first 2 months of the shortened statutory period, i.e., 3 months, for response to final office action dated 09/19/97, please ensure the response will be sent out at the earliest time possible.

In his response, the Examiner is respectfully requested to indicated whether "so as for discouraging ... to someone else" as readable on that amendment proposal, P.2, lines 1 to 3 and "to protect ... by discouraging .. duplication copy" as readable on the amendment proposal filed on Dec., 10, 97, P. 1, claim 1, lines 2-4, are new issues ?
